September 2026

Dear Families,

At Three Rivers Academy, we believe that a strong partnership between home and school is essential in helping every child thrive. As part of this commitment, we have updated our Home-School Partnership Agreement for the 2026-27 academic year.

The agreement sets out the shared expectations and responsibilities of the school, parents/carers and students, reflecting our values and our collective commitment to providing the very best education and support for every child.

Please take a few moments to read the Home School Agreement

Once you have read it, we ask that you complete the following form to confirm that you understand and support the agreement:
