Dear Families

Basketball England Academy League

My name is Len Busch and I am the Basketball Coach at Three Rivers Academy Sixth Form. We run a team that participates in the Basketball England Academy League.

This year, we have decided to open the opportunity to younger players, taking the long-term view of developing players from within the school. From the Basketball training session with Mr Kingshott, last week, I wish to enroll up to 20 Year 10 and Year 11 students, to train with our existing team. Your child has been selected for this try-out.

The Academy sessions take place on Mondays - Thursdays with Wednesday being game days. Practices are after school and finish no later than 5:30pm. If the students have prior commitments, these will be considered, and they will be able to leave sooner. Where students have Triple Science on Wednesdays, they will need to prioritise these lessons. As a result, these students would only be available for home games where tip-off is at 4.00pm.

Please feel free to contact me should you have any questions about the basketball programme.

Regards

Mr Len Busch
