Dear Families,

We are aware of an incident in the local community yesterday afternoon that affected passengers travelling on the 881 bus. We appreciate that this may have been upsetting for some of our students, and we understand that some families may have concerns.

The police are aware of the situation and are managing the matter. As the incident was not directly related to Three Rivers Academy, we are unable to comment on the specific circumstances. However, we will, of course, provide support to any student who has been affected by the event and encourage them to speak to a member of staff if they need assistance.

Kind regards,

Miss B Mayaire
Principal
